RE: ELECT A NEW CONGRESS #C00522839

DEAR FEC,

Enclosed is our updated 3X form which was printed off of your website. For some reason, the lines on the pages in areas to be filled out did not print, so I did the best that I could.

I had called because we have not filed in a while, but we have been doing nothing. We hope to change that now and are ramping up for the General Election. I was instructed in my conversation with your personnel to fill out the form and date it from our last filing, which I believe may have been December 31, 2014.

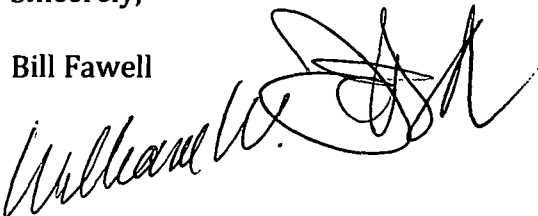

I check and we are still on your books and I appreciate your being rather sporting about the whole thing. Naturally, we want to be and remain in compliance and I will make all efforts to do just that from now on.

Thank you for your kind understanding and if you have any questions, you can always reach me at 630.774.7200 or via email at

Again, thank you for your understanding and help.

Sincerely,

Bill Fawell
